

2021 OSHCSa Membership

OSHCsa is the peak body for OSHC advocacy in South Australia. We are a member of the National OSHC body NOSHA. In 2021, we have offered an additional level of support for our sector. The 'Full Membership' option entitles the Service to a 2-hour support package. This coincides with our aim to better support and connect with services that require additional assistance.
